

Get in the Club!

(Be a part of the new Club Ed)!

Individuals, organizations, and businesses have asked how they can partner with Club Ed - the popular award-winning community education program at the Dietert Center.

So we are offering limited space in our **Club Ed** catalogs to **Sponsors who support lifelong learning**. Remember, our readers take courses in arts, computers, crafts, do-it-yourself, cooking, music, fitness, business, finance, travel, and much more!

Your name will be included on the Sponsor Pages in our catalog, which will be mailed to more than **30,000 homes and businesses** throughout Kerr and surrounding counties in the Texas Hill Country **THREE** times a YEAR. Your name and a link to your website will also be featured on our popular website: www.clubed.net. We direct readers to our website - we attract more than 2,000 site visits with over **15,000 page views**. Average time visitors spend on clubed.net is **over 6 minutes** - extremely high! And we will be periodically thanking our sponsors on a variety of radio programs in the Hill Country.

Your **Sponsorship** will stand out in a widely-read publication and active website that **attracts thousands** of enrollments of all ages annually.
